

# Flow in Time

(Intro Riff)

Grabbing a thistle of thorny patience and your time.  
A blood clot in your arteries of wine

Do you know, just how to flow - in time

Make it fast don't you break your glass  
in getting what you need  
give me a chance or a garden *yeah* and I'll plant my seed

Do you know, just how to flow  
Give me your money I'll spill your blood  
I'm a gentleman in need.

(Solo)

(Bridge)

(Solo)

Grabbing a thistle of your thorny patience and your time.  
A blood clot in your arteries of wine

Do you know, just how to flow  
Give me your money I'll give you everything I own, in time
