

Juicy Lucy

(C - happy)

You know, when you're anticipating something in your mouth.

You know, how to get it going on in the south.

Oowe, Juicy, Fruity, Fruity Juicy, Juicy Lucy, oh how you amuse me.

Oh, Juicy, Fruity, Fruity Juicy, Juicy Lucy, how nice of you to abuse me.

Oowe, Juicy, Fruity, Fruity Juicy, Juicy Lucy, oh how you amuse me.

Oh, Juicy, Fruity, Fruity Juicy, Juicy Lucy, how nice of you to abuse me.

(guitar solo - wah)

(Bridge)

Spandex and tight leather

dominatrix with a feather

She's a wicked wild lady

sterilized and compiled daily.

(Verse groove - *2001 space odyssey*)

She begs, she borrows and steals

She groans, and she moans and she squeals

But she gets out alive, alive, alive

She's feeling alive it makes me want to say: Uuuhhh

(sax solo)

Oowe, Juicy, Fruity, Fruity Juicy, Juicy Lucy, oh how you amuse me.

Oh, Juicy, Fruity, Fruity Juicy, Juicy Lucy, how nice of you to abuse me.

Oowe, Juicy, Fruity, Fruity Juicy, Juicy Lucy, oh how you amuse me.

Oh, Juicy, Fruity, Fruity Juicy, Juicy Lucy, how nice of you to abuse me.
